ANGE  S DEO OR SENIOR SPOTLIGHT

Parish:  
St. Anthony Church

Middle School:  
Dana Middle School

Future Plans:  
2 years of El Camino and hopefully graduate to UCLA! I want to be a Pharmaceutical Scientist with a PhD.

Favorite Bishop Montgomery Teacher(s):  
Ms. Hendry because she has helped me through so much in my life and sees the potential in me. She is also great to talk to and her class for religion was really fun but I still learned so much about morality.

What I will miss most about Bishop Montgomery:  
I will miss all the experiences I had with friends during spirit weeks and the experience I had at my Kairos retreat.
