SENIOR SPOTLIGHT

Clare Houston

Parish:  
St. James Parish

Middle School:  
St. James School

Future Plans:  
Loyola Marymount University

Favorite Bishop Montgomery Teacher(s):  
My favorite Bishop teacher is Mrs. Moreau (Mashby) because she creates an enjoyable learning environment that makes her students happy and excited to come to class. She also puts her heart into Drama Lab, making sure everything runs smoothly and giving us a chance to express ourselves through theatre in an open environment. Besides this, she is an amazing person who cares so much about her students and is one of the most authentic people I know.

What I will miss most about Bishop Montgomery:  
I will miss the Bishop community and the bond I feel with my classmates, both those who I am close to and those who I don't talk with much. The times I feel this most is at masses during the Sign of Peace when everyone gives each other a hug, growing closer to each other on retreats, or simply saying "hi" in the hallway. I love when your best friend or someone you barely know says something that makes you smile, and they do it because we care about each other. It's the little things that I'll miss the most :) I will also miss the teachers and faculty who show unmatched kindness when it comes to caring for their students. I wouldn't be the person I am now without them.
